10.09.2018

Shalom David,

Attached you find my letter to you from 23.8.2018 and a set of documentation produced after the end of our "Endgericht der Apokalypse" starting from 24.8.2018 - 7pm.

1. a full presentation of Daniel 10 - 12, I sent already in March to Ronald Lauder and Michael Jay Solomon.
2. a set of legitimation for my action as "Santa Sede", including the letters from 24.8.2017 to the Pope, the Israeli High Court and the Inquisition.
3. a full set of judgements as "Priest of the Order of Melchizedek" dated 6.9.2018
4. the letter to Richard Grenell I didn't send yet

When you receive this letter, we remember 9/11. According to Daniel 8.14 the 2300 days will end 9/11 2020 - 2 years from now, giving us enough time for a smooth transition from Rome to Jerusalem.

Can we please come to an arrangement before Yom Kippur?

Two of our regular Registration Forms are attached - one for you and one for Ronald Lauder, including our offer of a #NewDeal for the Sake of Zion.

I will send those DUNS marked green also a registration form with full confidence, that everything will work out.
