

While Germany was hit with several biblical plagues on 8.8.18, described in Psalm 105, Jerusalem was under fire during the night with [150 rockets launched](#) into Israel by Hamas, while Machmoud Abba's Fatah follows in the footsteps of Arafat.

When the Zionist Enterprise conquered Jerusalem in the 6-Day war 1967, 1897 years have passed since Rome destroyed the Temple in Jerusalem and took over the spiritual and legal development of the known world. After the Holocaust, the Jewish people were a small remnant of an ancient people, hated and accused for killing „God Jesus“.

As we speak, we have two Kings of Vatican City. The 7th, Josef Ratzinger from Germany is celebrated as a great theologian and in the meantime, it should be clear to ALL, that THIS MAN is Evil incarnated.

The unbelievable popularity of the Pope has a source. Axel Springer SE and the boulevard daily BILD.

The Bible is very clear about the deception of the very last days, before the return of the King of King. An no... it is not Donald...

***25.5.67 „Eucharisticum Mysterium“**

Since I left Israel with 40 and came to Germany on 1.1.2008, I am subject to the most severe religious persecution for my love for Jerusalem, the Jewish People and the Torah of Moses and when I received the call from Dr. Jürgen Bühler on 1.1.2015, I saw myself in a seemingly impossible situation.

Now, only One person alive can explain why the world goes nuts in religious conflict...

The firstborn from the dead and the true and faithful witness, represented in the MOON as a heavenly witness.

In case you are in Germany...

On 10.8.2018 Dr. Jürgen Bühler is again in Stuttgart and speaks on behalf of... ??? Israel?
Germany? A Cult?

President Reuven Rivlin

- Visits the ICEJ since 2014 - Jürgen Bühler "best friend" since 8.10.2017 by Donald Trump friend Ronald Lauder, since 16.10.2017 also by Benjamin Netanyahu

the „Kings“ in Zion

State of Israel President of Israel (and Prime Minister) - the King of the South // the House of Judah
Christian Zionist - „New Testament“ President of the International Christian Embassy - the King of the North // the House of Israel
Jewish Zionist - „Torah and Prophets“ President of the World Jewish Congress - Ronald Lauder ONE witness „Zach. 4, 14“ & Rev. 11

While Germany has a complete media black-out with stories about Israel and Jerusalem, the USA receives their information via the Word from Jerusalem, handled by a German Pentecostal from Heidenheim, who says he represents up to 750 million „Evangelicals“.

For a secular politician it is impossible to tell the difference between the various Christian religious Groups, for every single Christian stream believes in a Jesus defined by the Pope, Jews do not believe in Jesus at all and Muslims do not even know the Bible, our whole culture is based on.

Christian Zionism is the New Testament pendant of Old Testament Jewish Zionism and the fulfillment of biblical prophecy in Jerusalem.

For 1260 days I said everything I know and asked for somebody to react and this is the only thing left...

Remember the firstborn from the dead and pick him up...
