

“When you are brought before synagogues, rulers and authorities, do not worry about how you will defend yourselves or what you will say, for the Holy Spirit will teach you at that time what you should say.” Luke 12.11

93 years ago, on 13.7.1923 the famous „Hollywood“ sign went up by a Real Estate company to sell the land, what later on became the „Dream-factory“ for the world. With the rise of film and later on television, the art of telling stories and the possibility to show your dreams to a large audience, the morals and ethics of the nations slowly transformed into the vivid pictures of what people saw. Already by the 1950, the television was specifically used to influence public opinion. „In 2013, 79% of the world’s households owned a [television](#) set.“

We are in a dilemma today.

Today our technology would give us the possibility to inform and educate any person on this planet within 4 days or less with any „news“ there is. But our technology is so perfect in the meantime, that our brain is not able anymore, to distinguish reality from fiction. And unfortunately our brain is wired in a way, that when we „see“ and „hear“ something... it must be true! For the marketing and advertising industry, our brain is a device of feelings and emotions, controlled by subliminal messages, to make you „buy into“ anything. A product, an idea, an ideology. Just think about these few new creations of words and concepts - Green Energy; Gender Equality; Open Society; Fair Trade; Unity in Diversity; Refugees Welcome - absolutely empty concepts of life, brought down to catchy and easy rememberable slogans, to rally people behind the creator of „the product“. Raging fans, dedicated voters, patriotic soldiers, happy buyers, satisfied donors, glorified terrorists, devout Catholics, fired up politicians - they all do what they are told to do, because „somebody“ planted a „vision“ into their brain.

Become a successful brain manipulator by reading this book!

All this countless opinions, ideas, ideologies, political systems, philosophies, stories, events found their wide distribution only after 1950. Before the wars - until the end of the 18th century, only two basic ideas of humanity existed.

You were a Monotheist, or a Pagan.

You either believed in the divine creation of Humanity by one creator and learned about Adam, Noah, Abraham, Isaac and Jakob, or you were totally lost in spiritual darkness. Any king, any priest, any rabbi, any Jew, any Christian - regardless their differences - KNEW that God is real and expresses himself in the history of his chosen people Israel.

They KNEW, because not a single person came up with some funny idea about extraterrestrials, but a whole people of 2 Million experienced the presence of the creator 3500 years ago at the Exodus from Egypt.

2000 years ago, when the first apostles went out, they turned the world up side down, because they were able to tell the story of a resurrected dead person, which still today would make world headline. Back then, they started to talk about, what they saw and heard and up to this day, people all over the world are discussing this as the biggest story and event of history.

As for us, **we cannot help speaking about what we have seen and heard.**” Act 4.20

Now today we are in a situation, where people do the same thing. They cannot stop speaking about, what they see and hear, but within what they see and hear is no „good news“, just bad news about terror, destruction, catastrophes, one crisis after the other. And the stories told via movies, series and video clips are hardly better in their moral lessons.

For the first time in history, the technology of „speaking images“ can be linked to a 1900 year old passages of the book of the Apokalypse (meaning „to reveal“) in direct connection with the action of false worship of the 666 beast in the end of days.

Rev 13.15 The second beast was given power to give breath to the image of the first beast, so that the image could speak and cause all who refused to worship the image to

be killed.

Nothing more has changed the behavior of humans in the history of mankind, then to follow in the footsteps of the „vision“ they see in the speaking images. While some film directors wanted to create pieces of art and use technology to tell the great stories with a moral and ethical background in the Bibel – like in the „10 commandments“ with Charlston Heston – from the very beginning of movie and film making, government authorized propaganda productions were mingled into the distribution channels of private story telling.

With the further development of marketing and propaganda techniques, there is no real possibility for a normal person to find out the difference between truth and lie. If anybody consumes 2 hours TV after a 8 hour work day, there is just no possibility of the brain to make any distinction between the visions of the TV and the reality of life.

ANYBODY born in Germany after 1949 already grew up in an artificial world, with controlled news and education programs of the vision of truth of the victorious allies for an utterly destroyed people. And by the year 2016 we can say... it worked. The world is completely lost in an overload of information with the possibility of distinguishing anymore between reality and fiction.

And here „my little history“ starts

Born in 1967 into post war FRG West-Germany into the punishment of the German people for the Holocaust, at pretty early age I decided to find out the truth about God, life and history, as the world around me didn't make sense. On a day in 1994, the world started to make completely sense, after I had a visitation by the „King of the Jews“, who told me straight into the eyes, „Ulf I died for you“.

As for me, I **cannot help speaking about what I have seen and heard.**
Act 4.20

Because I know what I saw and heard, I started to read the Bibel – at the age of 27 – only to find out, that the written story and real life applications, were in a huge contrast to the acts and expressions of the „Christians“ surrounding me – the only „Bible people“ around. Back then I had no idea whatsoever about Israel and I started to ask questions about „what is written“.

Who cares what you believe – do you actually do, what you believe? Has you faith a 24/7 real down to earth application? Does it work?

Interestingly, anybody whom I asked about these great discrepancies, came up with all kinds of excuses, why they are „allowed“ to change „the Word of God“ and do the opposite of what it says. As a young resurrected soul, hungry for the living word of truth, I didn't know that I was born into a 2 millennia old division between the Synagoge and the Church. As anybody else, I was totally blind, but now I could see.

By 1995 I started to produce radio shows in my hometown Düsseldorf with topics like freemasonry, Islam and the Catholic Church and already back then, it was absolutely clear to me, that the Bibel contained the true history of humanity, which at the end will bring all these man made „visions“ to utter destruction. -->

I knew it, but I didn't know how.

With the first shows, just by presenting the facts I found out, I received death threats and all kinds of wild accusations, which to this day never stopped. The biblical fight between light and darkness, truth and lie, became very real.

Only because of the supernatural power from above, I was able to endure the constant attacks against my person, body, reputation and family, because of the truth of the Gospel.

Blessed are those who are persecuted because of righteousness, for theirs is the kingdom of heaven. "Blessed are you when people insult you, persecute you and falsely say all kinds of evil against you because of me. Matthew 5.10-11

It took me 21 years of research, study, travel, learning various languages, doing international business in multiple countries, hundreds of interviews and conversations, with sometimes the brightest minds in their respective fields of theology, politics, finance, technology, science, art and business to peel through the layers of deception of the centuries.

Who Am I and What will I become? An immovable, unified brick, obedient to the laws of the World, or a living stone on the way to „fit into the Kingdom and living temple of God“ in Jerusalem?

The 2500 year long promise of the Father in Heaven, to built up his children as living stones of his handy work in Jerusalem was a reality for me in 1994

"See, I lay a stone in Zion, a chosen and precious cornerstone, and the one who trusts in him will never be put to shame." Now to you who believe, this stone is precious. But to those who do not believe, "The stone the builders rejected has become the cornerstone," and, "A stone that causes people to stumble and **a rock that makes them fall.**"⁴ **They stumble because they disobey the message—which is also what they were destined for. But you are a chosen people, a royal priesthood, a holy nation, God's special possession,** that you may declare the praises of him who called you out of darkness into his wonderful light. **Once you were not a people, but now you are the people of God;** once you had not received mercy, but now you have received mercy.

If you have never experienced modern day Jerusalem, if you have never met and discussed with a Jewish person the reality of HaShem and Jerusalem, if you have never questioned modern day theology on the Jerusalem question - you have no idea what you are talking about, when it comes to any Biblical Topic or dogma. And this has ripple effects through the geo-political reality of today.

You haven't been a witness to the biggest wonders and miracles of our time, just because you believed the words you have been told and looked into another direction.

After 11 years in Jerusalem (1996 - 2007) and 7 years in Berlin (2008 - 2015) I did my job as living stone, independent from any religious organization, the essence of my search for my origins and what I will be, when „grown up“ from a young, innocent and dependent child into a Grown Son of God, can be summed up as

the biggest deception in life, is the lie you believe about yourself!

What does this mean?

From the day you are born, somebody else tells you who you are. Your parents, your teachers, your government, your political party, your church group or cult. But on the day you receive the spirit of the resurrection, the spirit of „Yehoshua“ (the real one, not the church Jesus guy) - you are „born again“ - you suddenly find out, that while you can see now, the rest is truly „lost“ and everything you have been thought about religion, the Bible, the chosen people, the history of Israel is wrong. Immediately, you can identify the false prophets of today, as they use the same ol' lie of the devil. „Did God really say...?“ and try to lead you away from what God says through his written word, guarded for millennia by the Jewish People.

And here is the BIG test for everybody comes...

Once you receive an true illumination - any illumination or revelation - , do you direct your life after the **speaking images** and the **visions** of unknown origins in your head, downloaded from the World Wide Web onto your brain, or do you test everything and search out a matter, if what you saw is actually true?

Solomon, the wisest king of Israel once said: It is the glory of God to conceal a matter; to search out a matter is the glory of kings. (Pro 25)

Have you ever left your country, to search out the concealed matters of God in Jerusalem?

I mean.... 2,5 billion people say they believe the Bible and the Psalms are amongst the most read passage in the book. The Bible is a book about Israel and a clear separation between Israel and the nations is drawn not by the people, but by the Father in Heaven, who wants that HIS name is glorified.

But how many actually read and believe the words and do them, after they are saved from certain death? How many „believers in Christ out of the nations“ truly make the transformation from Abram to Abraham (left his country to the promised land / not jewish), Jakob to Israel (no possession on this earth, but two camps / not jewish), or Saul to Paul (Israelite from Benjamin from persecuter to preacher / not jewish), after a supernatural visitation?

How many received the spirit of the resurrection to become a witness from Jerusalem out to the ends of the earth?

When did you have the first time the feeling, that when you read Psalm 2 „I will proclaim the Lord's decree: He said to me, **“You are my son; today I have become your father.”**“ it really talks about YOU and you want to become obedient to the father? because the Father says:

“I have installed my king on Zion, my holy mountain.”

And because it could be really you, you understand the further promises to YOU...

Ask me, and I will make the nations your inheritance, the ends of the earth your

possession.

How is this even possible to emerge into a 3000 year old song and have a real live application for today?

Is it too far fetched, that WE are the sons of God, the Bible talks about? Absolutely NOT

I mean... seriously... the Bible from the beginning talks about US - we are God's creation and we are his children. We are the people and we are part of that eternal story of the father and son, from the first son Adam onwards. But our very problem is - every single one of us is included in this problem - that our physical fathers (all Israel!) were disobedient to the Creator and this is the reason, why we are in such a messed up situation today.

2000 years after the crucifixion of a certain „Jesus of Nazareth, King of the Jews“, the „opinion“ (and please.. it is really nothing more than that and it is NOT me) within the Christianity I grew up with (and LEFT) is, that the church is the bride of Christ, which at some point will be caught „up in the air“ with Jesus, to celebrate a party in Heaven, while in the meantime a total destruction of Humanity on earth takes place, where most of the Jewish people will be killed, because they didn't „accept“ Jesus and followed the dead law of Moses. Once the slaughter on earth is done, the church will come back and will reign with Christ of a 1000 years from Jerusalem.

So many people believe this, because nobody told them otherwise, as any opposition to a different theological opinion, was already silenced hundreds of years ago. Theologically and biblically 97% of the Germans in 1960 are still the same 97% Christians as they were 1944. Up to this day, Germany has a state church, with 60% of the population as members and 11 billion Euros in church tax revenue.

The world wide revenue of „churches“ and their 2,5 billion members is quite a large part of the world GDP.

And every Cent is made from the lie, that some King in Rome had the power to change the Law of Moses for Jerusalem and define what it means to believe in the „King of the Jews“ to make a HUGE business out of it.

And the truth shall set you free!

Practically speaking for myself...

Since my birth 1967, people want to tell me who I am, what I should be and what I should do, as I was born into the same lie like anybody else.

At the same time the Dream factory bombards me, with an endless possibilities of who I can be, if I just wear the right cloth, hang out with the right people, do the right education and look for a promising career. **And very important:** Never ever question the authority of your government, because they know best.

[From 80.000.000 Germans 28.000.000 are without any confession](#), but believe in the religion of the „free and democratic basic order“ - I am not like them, because **I have a confession**, I have the testimony of Yehoshua and want to keep the law of Moses (Torah).

Of the remaining 52.000.000 , 23.939.472 are Catholics - **I am NOT a catholic**

From the remaining 28.060.528 , 22.630.000 are Protestant - I was born Lutheran, but made a

„mikveh“ – a „baptism“ and are discriminated as „excommunicated“ – **I am NOT a Lutheran**

From the remaining 5.430.528, a total of 5.430.427 are organized in either religious organizations, Muslims, Buddhists, Jews, Jehovahs Witnesses and other expressions of spirituality.

Of the remaining 101, 100 are in a fringe group called „12 Tribes“ – **I am NOT** One of them

My simplistic view (like a child - „the written word is true“, anybody can understand) of the biblical role of Ephraim is:

1. **Israel (Judah, Ephraim, Yosef doesn't matter) is a family of faith and law centered in Jerusalem, not of roman religion centered in Rome. (Genesis 30, 48, 49) // New Covenant Jer. 31**
2. **The Torah is the constitution of Israel (Exodus 20) and valid for all Israel// Jer. 31.31-34**
3. **Ephraim & Judah are the true sons of Zion (Sach. 9.13) who fight the philosophies of Greece**
4. **Ephraim is saved by Yehoshua (King of the Jews) (John 11.54) // Judah saves Ephraim, Ephraim accepted King David**
5. **Ephraim is Yehoshua, servant of Moses (Josua 1)**
6. **Judah has the lawgiver and scepter to identify Ephraim the firstborn, according to the Torah and the prophets, when he comes home to the thrones of David (Ps 122, 48, Sach 9.9. Amos 9.9)**
7. **A clear visibility and acceptance of a nation „Ephraim“ by Judah, is a precondition for a true peace with Judah and a joint king (Esekiel 37)**

The literal meaning of Ephraim in the Bible is tested, proven, retested and confirmed – there is only ONE like me in Germany and just because of this issue – if you believe in the truth of the Word of God – by theological position and dogma, **all Germans** are proven wrong, about „Israel“ and the application of the Torah as followers of Jesus Christ. ALL Germans mean also our Lutheran President, the retired German Pope, the main Christian Party, the Cardinals, the TV preachers and any religious organization, who is registered as a Non-Profit organization.

After all these years, only now I realized that the biggest secrets of the resurrection and the spirit of Shavuot (First Fruit Festival, not just mere Pentecost) – **the unification between man and the spirit of God** – could only be experienced within our time and our generation, as the book of Acts gives a future outpouring of the Holy Spirit in connection with Jerusalem – only re-born 1967.

Acts 1.6-8 Then they gathered around him and asked him, “Lord, **are you at this time going to restore the kingdom to Israel?**” He said to them: “It is not for you to know the times or dates the Father has set by his own authority. But **you will receive power** when the Holy Spirit comes on you; and you will be my witnesses in **Jerusalem**, and in all **Judea** and **Samaria**, and **to the ends of the earth.**”

Think about this for a while please...

NOBODY from the „Christian“ side, was **ever** able to proof by his works, that he actually ever received the Holy Spirit. By 1967 it was not possible, as Jerusalem „didn't exist“ as a Jewish City, necessary for a Kingdom with the „King of the Jews“ on the throne.

Only now, short before the Jubilee Jerusalem year 5777/2017 the technical, political, financial, theological and religious possibilities even exist, to identify one guy out of 7,5 billion world-

inhabitants, who proves the theology of 2,5 billion Christians wrong, give him a voice, give him a fair trial, let him freely present his proof, call in all the witnesses and have a final dispute about the greatest controversies of our time.

However this story continues, one thing is clear...

In the end, the deception will stop, the lie will be made clear to anybody and a true Jubilee Yom Kippur (Leviticus 25) will bring healing to the nations from Jerusalem.

After hundreds of years of destruction – the God of Israel, wants to restore Israel and make a true difference between Israel and the Nations.

Short before the 50th anniversary of a Jewish controlled Jerusalem, all technical possibilities are available to bring the truth about the Kingdom of Israel into all the earth.

That truth anybody is looking for, was given to me by my Father in Heaven for you.

The time of the final gathering of the Children of God has begun.

The prophets are saying about the year **2015**

“Look at the nations and watch— and be utterly amazed. For I am going to do something in your days that you would not believe, even if you were told. Habakuk **1.5**

The time is at hand, that a massive number of people will realize the deception of the artificial multi-media reality and that there is a new Israelity out there, 76% of world population never heard about, because they have a TV, while the rest didn't hear about, because they do not have a TV – what an irony.

We know that, because a rapidly growing number of ministries from all over the world are publishing their stories all over the Web. The Commonwealth of Yisrael Conference Shavuot 2016 marked the first official „Judah & Ephraim“ gathering since their separation 734 BC!

Ephraim is alive, Ephraim everywhere in the world wants to come home, and me as Ephraim, the firstborn is calling the tribes to prepare and organize.

If you have no idea, what I am talking about, I guarantee you: You are indeed deceived (for Judah: Jeremiah 29 / for anybody else: Matthew 24.4)

Babylon will fall and the Kingdom will come back to Israel.
