Concerning Ephraim & US Embassy opening 14.5.2018

Shalom Mr. Ambassador Issacharoff,

Since 25.5.2015 I openly work under my new name and work description "Ephraim, Priest of the Order of Melchizedek" under the protection of GG Art. 4, 9 & 140, to secure my unique Human Right, guaranteed by the Holy See and the State of Israel in the adoption of UN Resolution 217 since signing the Fundamental Agreement between the two parties on 30.12.1993

On 29.3.2018 I handed the attached list to state prosecutor Hahn from the „Generalstaatsanwaltschaft Berlin-Moabit“ with a request of immediate involvement of the US State Department, due to the personal involvement of high ranking government officials from Israel, Germany and Israel in my „regular“ family case.

The full disclosure of all my documents handed over to the German state Prosecutor is online at
<https://plus.google.com/collection/02vWMF>

Since 5.3.2018 an open letter to the President of the International Christian Embassy Dr. Jürgen Bühler is asking for his resignation and hand-over of the ICEJ in Jerusalem.

Before I started out publicly, I told my Rabbi Avraham Feld in Jerusalem, what I will do and confirmed in writing, that I agree fully to the Authority of the Orthodox Jewish Leadership and the Jurisdiction of the Israeli High Court of Justice, but so far didn't receive any help or answer.

I am in Berlin right now and would like to give a full account of my work as a private citizen and clear up my legal paper work with the State of Israel. Besides the world-wide political, theological and financial implication, my intelligence is vital for the security of the State of Israel, as well as for Germany and the USA, I wrote the US Embassy Kent Logsdon.

On my last try to enter Israel to clear up my personal stuff, I was held in prison for a night on 2.9.2015 and sent back to Germany with extremely devastating results for my business, family and social standing.

Could I have a short-term appointment with you at the Israeli Embassy in Berlin and fix my paper work?

And please..

Just call me Ulf
