23.08.2018

Shalom David Friedman,

Ulf here from Germany. I think, I need to explain something, as I am not sure, if you received any former communication or information I sent and published over the course of 3,5 years, starting from 1.1.15

Most likely you fly blind as myself, trusting HaShem to do his work, while following the timeline in the prophets.

By now, you should have a number of letters sitting on your desk, with the original from me, dated 30.7.2018. The name of my first teacher, who taught me the book of Job was David Friedman and since I first learned, that you are on Donald's side as Ambassador to Israel, after I went through the 7 years Job experience (same 7 years as Daniel 4), I immediately knew, that you will be the door keeper, when the Shilo comes, for you will judge according to hard evidence and the law and once you fully investigated into my case, you can only come to the same conclusion based on hard facts and my life's testimony.

Daniel 10, Zachariah 3 and Revelation 2 were as real as it can be and I was horrified for weeks. Now I know, why I was so terrible afraid.

Since I put my foot onto German soil 1.1.2008, I do exactly the opposite of what the state and the church people around me do and for that I am by any standard of law here in Germany guilty, without the chance of a return to a normal life, unless I fix the damage my own brethren and family caused, by excommunicating me from their presence. Because of my love for the Torah and my observance of an orthodox life style, trained by my Rabbi Avraham Feld and others to recognize spiritual dangerous cults, I completely withdrew into „the dessert“ and went „offline“. Whole Germany is a cult by Jewish Orthodox standard, so to speak.

When I went into solitude to seek the face of HaShem after the call from Jürgen Bühler and had the Daniel 10 revelation on 24.1.2015, I felt the pain of 21 years accusations, beating, spitting, cursing, robbery and within an instant HaShem showed me why I had to endure this. Only because I lost my normal life as Ulf Diebel, I was able to survive 1260 days of Revelation amongst a godless, Torah and Israel hating, Anti-Zion, Anti Semitic and Racist German Christian environment.

Only when I sent my long paper “Donald Trump take me to the Pope” on 23.5.2017, I finally had peace.

From 25.5.17 - Christ Ascension Day and my 50th onward, I acted in full confidence as Melchizedek and completely innocent, but in absolute need of abundant grace.

5 for 5 I would say. As Isaiah 1 talks about the final court case, when your red sins become like white as snow, I hope I understood Donald's #RedWave on 8.8.18 correctly.

On 1.8.2018 another decline came from the State prosecutor, who I thought would at least give me a chance to speak. The Copy I sent, Addressed to a State prosecutor Raupach was declined by a Justice Assistant (name unclear) from a complete different department, with a phony excuse.

Within the decline of the letter (copy attached) the reason for the decline is given as „I am not capable“ with a time frame given to object to the court ruling by my 22nd Wedding anniversary 24.8.2018, but only by an authorized lawyer, like yourself.

Isn't Donald Trump as Commander in Chief and President of the WKII victorious nation, the final word on Berlin and can authorize an immediate investigation and clearance by the State prosecutor, for not informing the US State Department and the Israeli Embassy as urgently requested?

Regardless of the unusual circumstances of my family case, I followed the law to the letter, asked the right authorities, but was denied any hearing, access to my belongings and made a public spectacle off by my own family and so-called brethren, harassed by strangers for my relentless stand for Zion in Germany as Ephraim.

The same 1.8., Doron Schneider (Card was attached) came again to Germany, while my daughter Naomi Esther *5.7.1999 was in Jerusalem, without my knowledge.

The Eclipse 1999 and 11.8.2018 are 37 days after Naomi Esther's birth. 11.8.2018 is the 99th anniversary of our constitution from 11.8.1919, granting me the right to be my own "religion". Genesis 17 gives the age of Abraham of 99, when HaShem made his covenant with Abraham and his descendants - namely You and me, my children and all the other living souls from the House of Israel, resurrected by the spirit of the most high, as written in Ezekiel 37.

On 1.8. Volker Kauder, CDU, right hand of Angela Merkel spoke to the German Evangelical Alliance, who are directly involved in the whole family issue, including a long term clerk of Angela Merkel, who is part of a Pentecostal group, who reside over the German Evangelical Allianz, where the African pastor Richard Aidoo, who married me 24.8.1996 sits in the main council, as well as Pentecostal Peter Wenz, who is the most important German Connection of Dr. Jürgen Bühler, President of the ICEJ, as his brother Gottfried Bühler holds, the directorship of the ICEJ in Germany and oversees for years now, the marketing of the Pentecostal message.

The German Pentecostal Message is not the same as the US American Evangelical, with major effects on the theology of Christian Zionism in the US.

Tomorrow 10.8.2018 Jürgen Bühler will speak in Stuttgart and again will join the crowds of Jesus fans, who collect money in the name of Jesus, but on their own account.

I sent a copy of the letter I sent you, to Volker Kauder and asked him to clear up the way within the CDU, for his whole party is rotten to the core and has nothing to do with the "C" they carry.

I also sent a copy to Mathias Döpfner, head of Axel Springer SE and asked for an exclusive deal to counter the Fake News spreading around, as Michael Jay Solomon is still active supporting the democrat agenda.

Member of Parliament Udo Theodor Hemmelgarn (AfD) got a letter on the 7.8. and already on 8.8. Alice Weidel became a bit pro Trump. More and more people are waking up to the

unshakable reality of Zion here in Germany and the presence of the Erbegemeinschaft Jakob.

The Evangelical Idea got a letter and was asked to report the truth about Dr. Jürgen Bühler, the ICEJ and the German Evangelical Alliance.

As we are in a Psalm 105 situation with hail, fire, dead fish and a coming darkness, I fear the worst for the next days.

Zachariah 9 puts the Palestinian issue in direct connection with my return to Zion.

In the moment the stone fell out of the Western Wall on 21.7. - 9 Av When Isaiah 1 was read, and Sodom and Gomorrah took place in Berlin with the participation of the Israel Embassy, while my wife sends me an Email @10.30 am

The woman mentioned in Micah 7 is the mother of the children mentioned in Micah 4, the wife of "Job", who decided to live off the JobCenter here in Germany. The descriptions in the prophets are so unique, that only I can explain to every Orthodox Jew what they mean.

Here some very interesting facts, just for you and Donald, In case you didn't read my presentation... While I was born on 25.5, Hillary Rodham Clinton numerical value was calculated as 255, 255, 255. Daniel's Mene Tekel is written in 5.25

My Name Ulf, meaning wolf, or Zeev, written in Hebrew like Alef = 111 - I found it quite funny, that Jared Kushner bought 5th Ave. 666, so he just needs one 111 a new Zion 5777 Deal to proof George Soros wrong, who send the Assyrians into the land of Immanuel.

Just pure awesomeness. I am incredibly impressed and humbled by the power of HaShem and his elect.

What do you want me to do David?

Zion needs his Son back to solve the Palestinian issue and end the terror of the Hamas, which is a pure spiritual issue, like the Greek philosophy.

Can you arrange that the right person calls?

May the peace of HaShem rest upon you and give you wisdom in your decision.
